KAILASH MANSAROVAR

Our Signature Specialty

Experience Kailash with people who have actually led the journey. For Shivalaya, Kailash Mansarovar is more than a destination.

It is a journey we know from first-hand experience—through the route, the altitude, the logistics, the challenges, the people and the realities of operating in one of the world's most remote Himalayan environments.

Our expertise includes:

- Kailash Mansarovar Yatra
- Overland pilgrimage programmes
- Helicopter-supported itineraries
- Lhasa-based programmes
- Group pilgrimages
- Tailor-made pilgrimage programmes
- Experienced field coordination
- High-altitude journey management
- 50+ Yatras Personally Led

Since 2006, our leadership and mountain teams have built extensive experience in Himalayan pilgrimage and travel.

Today, Shivalaya has accompanied more than 20,000 pilgrims from India and international markets to Mount Kailash.

Our Kailash portfolio is designed for different traveller profiles, access preferences and levels of experience.

*"Kailash is not simply one of our products.
It is where our first-hand experience is deepest."*

EXPERIENCE BUILT ON THE MOUNTAIN

Decades of Himalayan experience. More than 20,000 pilgrims accompanied.

At Shivalaya, experience is not simply measured in years.

It is built through repeated journeys, difficult conditions, experienced people and the responsibility of caring for every traveller on the mountain.

Our leadership and field experience in Himalayan travel dates back to 2006.

Over the years, we have accompanied 20,000+ pilgrims from India and international markets to Mount Kailash, developing an extensive understanding of the journey and the operational realities behind it.

OUR GREATEST STRENGTH IS OUR PEOPLE

Behind every Shivalaya journey is an experienced mountain team—particularly our Sherpa field leaders, whose knowledge extends far beyond a single destination.

Some members of our Sherpa team have personally led or supported 60+, 70+ and even 80+ Kailash group journeys, bringing a depth of repeated field experience that is central to our operating strength.

Our greatest strength is our people.

Experienced Sherpa leaders. Experienced mountain teams. People who understand the altitude, the terrain, the route—and the responsibility of looking after every pilgrim.

PROVEN IN PRACTICE

Experience Measured in Journeys, Not Promises

200 PILGRIMS. ONE JOURNEY. ONE COORDINATED OPERATION.

Tamil Nadu Group — July 2025

In July 2025, Shivalaya's Founder & Chairman personally led a 200-pilgrim group from Tamil Nadu on the Kailash Mansarovar journey.

A pilgrimage of this scale requires more than an itinerary.

It requires:

- Advance preparation
- Group coordination
- Experienced field leadership
- Transport and accommodation management
- Permit and documentation coordination
- Altitude awareness
- Clear communication
- Strong mountain support

This experience demonstrates Shivalaya's ability to manage complex, large-scale pilgrimage operations while maintaining personal leadership and field presence.

BEYOND THE 200-PILGRIM GROUP

Our wider operating experience includes:

- 20,000+ pilgrims accompanied to Kailash
- 50+ Kailash Yatras personally led
